ADDRESS ALL CORRESPONDENCE TO THE CHIEF EXECUTIVE OFFICER

Mr Ian Treleaven

Dear Ian,

One of the 1998 Sydney-Hobart Race Review Committee's findings was the difficulty of wearing PFD Life Jackets during the race.

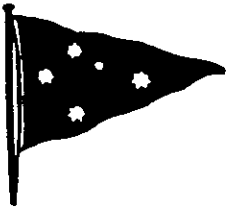

Yacht crews express a need to be able to wear a Life Jacket which still enabled them to move freely around the yacht.

The Cruising Yacht Club of Australia is seeking your support to develop a PFD that not only meets Australian Standards and can be worn over a Safety Harness but still enables crewmen to move around their yacht easily.

If you have any further queries please contact me at the CYCA. We have a Race Committee meeting in late July. Your comments for this meeting would be greatly appreciated.

Yours faithfully,

Phil Thompson
Sailing Manager.
